

RESOLUTION

ADOPTING A REVISION TO THE PUBLIC INFRASTRUCTURE MAP FOR THE WAIANAE SUSTAINABLE COMMUNITIES PLAN AREA

WHEREAS, the Public Infrastructure Map for the Waianae Sustainable Communities Plan area has been adopted under Resolution 2000-14; and

WHEREAS, Chapter 4, Article 8, Revised Ordinances of Honolulu 1990, as amended, requires a major public facility, including a police station, to be shown on the appropriate public infrastructure map for a development plan area before the City Council may appropriate land acquisition or construction funds for the facility; and

WHEREAS, the Department of Design and Construction on behalf of the Honolulu Police Department has requested a Public Infrastructure Map revision that would add a police station/modification symbol for the Waianae Police Station Replacement project as shown on Exhibit A, and identified as Tax Map Keys: 8-5-008:040, 041, 043, 044, and 051, which would ensure that the Honolulu Police Department would have a new and modern district-level police station to serve the residents and visitors of the Waianae coast.

WHEREAS, the City Council finds that the placement of a police station/modification symbol on the Waianae Public Infrastructure Map is necessary to fund the construction of the planned replacement of the existing Waianae police station; and

WHEREAS, the police station/modification symbol shown on Exhibit A, is consistent with the adopted General Plan and the Waianae Sustainable Communities Plan; now,

BE IT RESOLVED by the Council of the City and County of Honolulu that the Public Infrastructure Map for the Waianae Sustainable Communities Plan area be revised to include a symbol for a police station/modification for the Waianae Police Station Replacement project as shown on Exhibit A; and

BE IT FURTHER RESOLVED by the Council of the City and County of Honolulu that the police station/modification symbol shall be deleted from the Public Infrastructure Map by administrative procedure once completion of the facility has been certified in writing by the applicant/agency to the Department of Planning and Permitting and the City Council; and
